## WHAT WILL YOU GIVE TO THE POST-DISPATCH FREE ICE FUND?

### \$2500 ALREADY IN; MUCH MORE IS NEEDED.

LITTLE CHILDREN RECEIVING POST-DISPATCH FREE ICE AT THE CARR STREET STATION.

Photographed by the Post-Dispatch.

The Slight Change in Temperature Has Not Dissipated the Need of Ice for the Poor—Many Families Are Receiving Relief and More Must Be Added to the Number.

Today all parts of St. Louis, north, south and central are being relieved of its suffering due to the torrid weather by the Post-Dispatch's Free Ice Fund. This afternoon five new distributing stations for free ice were established, viz.: St. Louis Social Settlement, Second and Victor streets. St. Stephens' Mission, Rutger street, between Broadway and Sixth street. Provident Association, 1735 South Eighteenth street. Markham Memorial Mission, Menard and Julia streets. It will take 25 tons of ice daily to supply the needs of the destitute. A great money outlay will be necessary each day to maintain the work. Every dollar of this may save a life.

The difficulty in obtaining so much ice has been very great, but the efforts to overcome it have been correspondingly enormous. In one day the Post-Dispatch accomplished it and succeeded in contracting for the necessary amount of ice.

This was done only through hard work and the kind co-operation of Hannibal Bros., the Creve Coeur Lake Ice Co. and the big breweries which operate ice plants.

The shortage of ice in St. Louis, due to the extraordinary consumption, has made it difficult to buy in such large quantities.

#### MORE MONEY IS NEEDED.

To carry on this great work of necessity money is necessary—a large amount of money. Therefore, "GIVE! GIVE! GIVE!" as Kipling says. Do not forget that in becoming a liberal contributor to the Post-Dispatch Free Ice Fund you are engaged in one of the greatest benevolences possible to carry out NOW.

The Post-Dispatch is meeting with liberality on every hand, but—be more liberal yet.

The Anheuser-Busch Brewing Co., that offered 2000 pounds of ice every day, has contributed an additional ton daily.

The Lemp Brewing Co. has just contributed 2000 pounds daily. The American Brewing Association has given 1000 pounds daily.

Today the Post-Dispatch sent 4000 pounds of ice to the Ashley building, where 135 families, averaging from seven to eight persons each, live. Only THREE of these families could afford to buy ice.

Do not forget the sick babies and the old and feeble. Ice will save all of these from much misery and perhaps death.

Post-Dispatch Free Ice tickets may be obtained at the Post-Dispatch office, the missions and the Provident Association. If you know a needy family see that it is supplied with ice.

In the distribution of its Free Ice Fund the Post-Dispatch has the hearty co-operation of the Provident Association, the St. Vincent de Paul Society, the United Hebrew Relief Association, the missions, the clergy and every charitable and liberal-minded man and woman.

Contributions for the Post-Dispatch Free Ice Fund will close at noon each day, when the total amount received will be published. Amounts received during each afternoon will be published at noon the day following.

The total amount received to noon today was \$2491.75.

#### HOW THE ICE IS DISTRIBUTED.

Supply Stations Have Been Opened in Several Sections of the City.

Last night the St. Louis Provident Association sent its wagons out with almost a half a ton of ice to the sick and those who were too feeble to call for it in person.

This morning the distribution was continued at the Provident Association's Central Depot, 1625 Washington avenue. At noon today several hundred pounds had been given away in 20-pound chunks.

Many of the applicants were supplied through cards distributed by physicians and the Provident Association's trained nurses, two of whom are at work continually among the indigent sick, and by the officers of the Hebrew Relief Association and the St. Vincent de Paul Society.

The most appreciated feature of the Post-Dispatch's system of free ice distribution is the fact that it does not tend to humiliate or patronize those whose need is greatest. There is no public scramble or show; no humiliating begging for what is there by right on the part of the respectable poor.

Ice Is Free.

For the asking.

The ice is theirs for the mere asking, which implies that it is necessary.

In ordinary times ice is not a necessity but a luxury; in the present state of the weather it is as necessary as air or water.

#### THE WEATHER INDICATIONS.

THUNDERSTORMS.

For St. Louis and vicinity—Partly cloudy Saturday night and Sunday, with probably local thunderstorms.

## RAIN IS CERTAIN BY TOMORROW NIGHT.

BY ACTING WEATHER OBSERVER SPENCER.

(To the Post-Dispatch at Noon Today.)

There is a possibility that thunder showers may come this afternoon, but the greater probability is for them to begin operations tonight.

There is no prospect of a general rainfall, and all the relief must come from the showers. But they may cool the air until it may be a great deal more comfortable than it is now.

Saturday will probably develop the same degree of heat shown Friday, but I do not think it will be any warmer.

The era of excessive heat, with temperature of 107 is broken, temporarily, at least.

We shall probably have a nice cool spell before things begin to heat up again.

Kansas City was visited by thunderstorms Friday night, nearly one-half inch of rain falling. The temperature there at 8 o'clock this morning was 72, whereas it was 80 here. Our thunderstorms may bring us as great relief.

## GIRARDINA SHOT BUSINESS RIVAL

Put Three Bullets in Tony Morella's Head.

HIS VICTIM CANNOT RECOVER

ITALIAN BARBERS ENGAGED IN DESPERATE FIGHT SATURDAY.

Morella Is Said to Have Drawn a Knife on the Man Who Shot Him—"Dago" Hill Scene of the Tragedy.

Business rivalry in the barber line caused a tragedy just after noon Saturday on "Dago Hill."

Jacob Girardina shot Tony Morella three times in the head. Morella is dying. Girardina is under arrest.

Morella has a barber shop at 5352 Shaw avenue, and only a short distance away on the same street Girardina also conducts a barber shop. The proximity of their shops has resulted in close competition and engendered bitterness of feeling.

At 12:30 Saturday afternoon the two men met in front of a grocery store at 5230 Shaw avenue. They had had some words before. Their quarrel was renewed. Morella drew a knife and tried to cut Girardina. Girardina ran to his barber shop and procured a revolver.

Returning to the street, he ran up close to Morella and fired three shots at him in quick succession.

Morella sank unconscious to the sidewalk. He had been shot over each eye and in the mouth.

Officer Charles Hill was a short distance away. He witnessed the shooting, but could not reach the men in time to avert the tragedy.

The officer arrested Girardina and took him to the mounted district station. Morella, who was dying, was placed in an ambulance and started toward the City Hospital.

Both balls which struck him over the eyes seem to have penetrated the brain.

## MORGAN TO MEET SHAFFER

Conference That Will Have Important Bearing on the Strike of the Steel Mill Workers.

NEW YORK, July 27.—President Shaffer and Secretary Williams of the Amalgamated Association, are in New York, and J. P. Morgan has consented to meet them.

The conference between these men will take place probably today, and will have an important bearing on the steel strike.

## BURGLARS EXPAND THEIR WORK

Burglars and sneak thieves have been busy on Delmar boulevard, west of Vandeventer avenue, during this week.

The residence of Clay Pierce, Jr., of 3804 Delmar boulevard, was entered by a burglar at 5:30 o'clock Friday morning.

The negro houseman saw the intruder and gave an alarm, which frightened him away before he obtained anything.

The family of G. W. Teasdale of 4312 Delmar boulevard is away from home for the summer. At 6 o'clock Friday morning a neighbor saw a man leaving the premises.

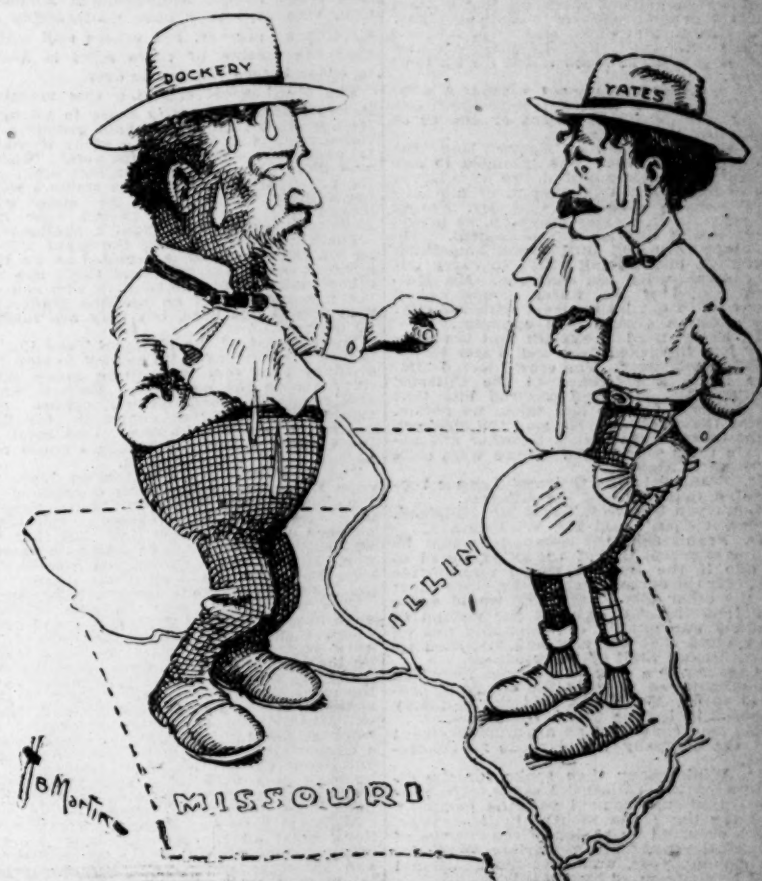

She informed the police, but an investigation failed to indicate whether anything was missing.

Burglars entered the residence of David Bowes of 4409 Delmar boulevard Friday. The family is out of the city.

T. P. McCormick of 454 Berlin avenue has reported to the police that jewelry worth about \$20, have been stolen from his home.

Daughter Born to Mrs. Nugent. A 12½-month daughter was born to Mr. and Mrs. Charles W. Nugent Friday.

## SUES THE TRANSIT COMPANY.

Albert Trapp Says He Was Thrown From a Car.

Albert Trapp filed suit Saturday against the St. Louis Transit Co. for \$10,000 damages, alleging that a conductor on a South Broadway car threw him from the car on January 31 last, injuring him severely.

According to the petition, Trapp had boarded the car at Market street and Broadway to go to 430 South Broadway. It was carried beyond his destination to be terminus of the line, not being familiar with the streets. It was while returning, it alleged, that the assault by the conductor was made.

Trapp declared that he paid his fare going down. On the return trip he says the conductor asked him for his fare and he started to pay it.

Before he could do so, the conductor struck him, he alleges, and then threw him from the car when it was moving. A. M. Taylor, an attorney for Trapp, filed the suit.

## August Mohrmann Dead of Heat.

Manager Donovan stated Saturday morning that Murphy's hand would probably be in bad shape, and that Sudhoff would pitch the game for St. Louis.

Leever will be the box artist for the Pittsburghers, according to Fred Clarke.

Murphy's knuckle is badly skinned, and his fingers have stiffened up so as to render his pitching usefulness doubtful for a day or two.

Padden's thumb is still in bad shape and he will not be able to participate in the game.

Ryan will continue at second, and Nichols in outfield, with Schriver catching.

Champions are sometimes made to look like selling players.

That is the way the Pittsburgh baseball team appeared after Friday's game with the Cardinals.

When the local men finished hammering the curves of Messrs. Phillips and Chesbro the score stood 12 to 7 against the visitors.

The Pirates are leaders of the league. They are supposed to have the finest pitching staff in the country.

They have an aggregation of crack fielders.

They have the leader of last year's league battling list and other hard hitters with them.

They started with a lead of 6 runs in the first inning.

Out-generated, out-played and out-gamed, they were fairly defeated with every favorable condition in their favor.

Eight thousand persons stormed and cheered the Cardinals, and the six-run lead the Pittsburghers rolled up.

Several hundred of the bleachers started to leave the stands when the trouble started in the third inning, but efficient police kept them off the field.

Catcher Jack O'Connor, popular as he once was, was badly hurt by a foul ball.

Handed, had the local team been less fortunate.

In a dispute over a play Catcher O'Connor hit Donovan several times in the side and head, and was thrown out of the game.

Interference by the police at this point prevented further hostilities and the game was resumed.

Murphy hit his hand on O'Connor's jaw and had to be helped by Dr. Max Starkloff, who bandaged it up.

Murphy may not be able to pitch in today's game, and the local team will have to do without him.

From a baseball standpoint the game was very ugly. Pittsburgh made errors at critical times, and the Cardinals started out wretchedly, errors by Powell and Wallace letting in runs.

After the first round Powell settled down and was never hit consistently afterwards, although the visitors scored one more run in the sixth inning.

The heavy bombardment to which his pitchers were treated was the principal cause of the Pittsburghers' misplays, and the men from the Smoky City pulled off several fast plays.

Jack O'Connor made one of the best catches of the year on a foul fly that won him the applause of the grand stand.

The St. Louis men were on the battle from the start and refused to be discouraged when the Pirates made their six hits in the first.

Clarke and Beaumont started the fireworks by lining up a single and Powell helped by juggling Davis' easy one. Wagner then came in with a hit, scoring two runs. Ritchey followed with a base on balls.

After the first round Powell settled down and was never hit consistently afterwards, although the visitors scored one more run in the sixth inning.

## CHALLENGER SAILS

SHAMROCK II STARTS ON VOYAGE ACROSS ATLANTIC.

THOUSANDS CHEER HER CREW

Accompanied by Erin, She Departs for the Race Course Amid Inspiring Scenes.

GOUROCK, July 27.—The Shamrock II, accompanied by the Erin, sailed at 10:20 o'clock this morning for New York.

Great enthusiasm was displayed as the challenger departed, the challenger's Capt. Sycamore desired to go out under canvas, and he was favored with a light easterly wind, sufficient to keep the flags streaming in the direction the yachts had to sail.

The challenger cut a straight figure with her stately spar and scanty canvas as she lay ready to start.

At 10 o'clock Sir Thomas Lipton and Mr. Watson, the yacht's designer, boarded her, and, in a few minutes later, the challenger's masts were shipped, her headstays broken out, and the Shamrock II started on her voyage across the Atlantic.

Thousands of persons gathered along the shore and on the pier at Gourock and greeted the yacht's departure with a great outburst of cheering, again and again renewed.

Hats and handkerchiefs were waved, guns saluted and steam whistles and sirens shrieked.

The Shamrock's crew was mustered on deck and then by Sir Thomas Lipton, who gave a hearty response to the greetings.

Fifty miles along the shore crowds occupied every vantage point and the cheers passed from group to group until the challenger, with her racing flag at the masthead, and the Erin, with the stars and stripes flying at her fore, disappeared.

Sir Thomas Lipton remained aboard the challenger until she was off Cumbray, when he returned on a tug.

Before leaving, he addressed the challenger's crew, wishing them good luck and a successful finish to their task.

FLANAGAN WILL BE HERE.

Champion Hammer Thrower to Make Trial at Handlan's Park.

James Flanagan of New York, brother of the champion hammer thrower, is in St. Louis, arranging the athletic sports to be held at Handlan's Park, Sept. 1. These sports will be held under the auspices of the St. James' Parish Athletic Association, and the proceeds will be used in the building of a parochial school.

Flanagan says that his brother will not attend the Irish Nationalists' meeting on Aug. 1.

The St. James' Parish sports were originally scheduled for Aug. 4.

Long, the quarter-mile champion of the world, and Kramlich, the champion hurdler, will accompany Flanagan to Handlan's Park.

Casey, pastor of St. James', is taking an active part in the arrangements.

ORDERED TO RESUME WORK

Chicago Molders Will Be Superseded by Other Union Men Unless They Begin.

CHICAGO, July 27.—Striking iron molders of Chicago have been notified by the officers of the National Organization of Molders that they must return to work immediately or allow other union molders to take their place.

A communication to this effect was the latest by the local molders from Martin Fox, president of the Iron Molders' Union of North America.

The strikers' letter, written after the regular meeting of the union's committee, and a mass meeting of the members of the five unions which probably will be held tomorrow afternoon to take decisive action in relation to it. As the local strike was called in defiance of the national officers' clash may follow the latest order.

The 25 local city that are members of the National Foundrymen's Association will start on Monday. Union men may be brought in from other towns to take the places of the strikers if the latter refuse to go to work.

# NEWS OF CITY CHURCHES

## SMASH-UP ON THE BELLEFON-TAINE LINE.

## ONE MAN AT CITY HOSPITAL

August Overbeck sustained serious injuries and Edward Polivogt also was hurt when a wagon was demolished.

One man was seriously injured and another received a scalp wound in a collision between a Bellefontaine car and a wagon at 11:30 o'clock Friday night in front of 647 Florissant avenue.

August Overbeck of 224 Madison street is the seriously injured man. Edward Polivogt of 215 Madison street received the scalp wound.

Both men were taken to the City hospital. Overbeck is still there. His head and body were injured in the collision. His condition is pronounced serious. Polivogt's wounds were dressed and he was allowed to go Saturday morning.

The wagon in which the two men were riding was completely demolished. The horses ran away and have not been found.

Both horses and wagon belonged to Overbeck who conducts an ice and coal business. He had been out west of the city limits delivering coal and was on his way home when the accident happened.

Polivogt was driving a light-colored automobile when car No. 197 of the Bellefontaine division, also going south, ran into them, smashing the wagon and throwing them both out.

Overbeck said at the City hospital that he did not know just how the accident occurred. He did not know anything for some time after that, he said.

Overbeck is 51 years old and has a wife and family of eight children. Polivogt is 21 years old and unmarried. He is in the employ of the Muntel Manufacturing Co.

## IMPORTANT BILLS PASSED

## City Council Unanimously Approves

## Smoke Abatement Measure and

## Provides for New Garbage

## Contract.

The smoke abatement and garbage contract bills were passed by the City Council Friday afternoon and sent to the House of Delegates where they had their first reading.

The vote on the smoke abatement bill was unanimous, but President Hornsby voted against the garbage ordinance which empowers the city to make a three-year contract for garbage reduction.

The Board of Health urged the building of the Cabanne sewer as a sanitary measure. The bill declaring consumption contagious and providing measures to prevent its spread was also passed.

The bill appropriating \$25,000 for chemical analysis of samples of water from the Mississippi, Illinois and Des Moines rivers and for the prosecution of the drainage canal suit was sent to engrossment under suspension of rules.

The ways and means committee reported favorably the bill assigning additional work to the comptroller of the municipal code and allowing him \$200 per month for the same.

The bill empowering the Board of Public Improvements to annul all its tender approval and prescribe new tenders for use on street cars was also favorably reported, but with an amendment making it a misdemeanor for any company to continue to use an old tender 30 days after it has been notified by the board that a new one must be provided.

The report of A. W. Fritchman, C. E. Hahn and Charles A. Lemp, constituting the committee appointed to investigate the various departments of the city government, was accepted. It declares that all departments are in good condition.

The House of Delegates gave the second reading to the bill appropriating \$100,000 for the payment of the members of the sheriff's posse during the street car strike.

## "Biggest and Best."

The American Newspaper Directory, Geo. P. Rowell & Co., New York, issued a list of papers, one from each state, selected by them upon investigation, as the largest circulated paper in the state. The St. Louis Post-Dispatch, as everybody knows, has the post of honor for the State of Missouri in this list. George P. Rowell & Co. might have truthfully added, the largest in any state between the Mississippi river and Pacific Ocean.

## JAPANESE PLAY IS PRESENTED.

## Children Appear in "Chang-Ching-Fou" for Fresh Air Fund.

"Chang-Ching-Fou," a Japanese play in five acts, was presented Friday night in the Arcade Hall at Cabanne by 14 children, whose ages range from 4 to 15 years.

The attendance was large and a considerable sum was added to the Fresh Air Fund, for whose benefit the performance was given. The production was entirely under the direction of the children and was remarkably good.

The following were members of the cast or contributors to the entertainment: between acts: Beale and Paul Phillips, 513 Kensington avenue; Lucy Merrell, 513 Kensington avenue; Tom and Margaretta Roth, 513 Kensington avenue; H. T. Bigelow, 505 Kensington avenue; Helen Gorse, 513 Kensington avenue; and Josephine and Lucy Mills, 502 Fairmount avenue.

Prescription No. 253 by Hahn & Amend will not cure all complaints, but it will cure rheumatism.

## MISS BUROSS WEDS MR. REX.

## Event Was Not Announced and Both Families Were Surprised.

John A. Rex of 284 Olive street, manager of the St. Louis Bank and Bar Fixture Co., and Miss Marie E. Buross were married yesterday at Clayton by Justice Greenfelder.

The knot was further tightened in this city by Father Powers, both being Catholics.

Mr. and Mrs. Rex departed immediately for the north, presumably Lake Minnetonka. Mr. Rex's marriage was a surprise to his relatives and friends, the first intimation of it coming from the bridegroom the fact, which he left on the dock of his brother, W. B. Rex, Mr. Rex's mother is in Indianapolis, and his brother, George, is in Denver. The parents of Miss Buross were not made aware of her matrimonial plans.

Rest, recreation and recuperation may be found at Hygeia Hotel on the picturesque Virginia Coast.

Church to Give Lawn Party. St. Margaret's church will give a lawn party Tuesday evening at Flora boulevard and Vandeventer avenue. Sixty prizes will be distributed among the church players and after the tables are cleared away, dancing will be the program. Refreshments will be served. Father O'Brien is directing the arrangements and the committee assisting him is composed of Messrs. Henry, McDougall, Coleman and Vandeventer.

Mrs. Winslow's Soothing Syrup reduces inflammation while children are teething.

## TWO CHURCHES SEEKING NEW LOCATIONS.

## BOTH ARE TOO FAR EAST

## Fifth Christian May Buy Property of

## St. Luke's M. E., and the Latter

## Move to Grand Avenue.

The congregation of the Fifth Christian Church, 1221 South Seventh street, is considering a proposition to buy the church building of St. Luke's Methodist Episcopal Church, Texas and Potomac avenues, and move there. The congregation of St. Luke's Church desires to sell its building and move to a new location Grand avenue, between Tower Grove Park and Rosewood Park.

The church has been located in the corner of the corner and St. Luke's Church, is more convenient for them.

Most of the members of St. Luke's Church live east and north of their church and a new location on Grand avenue, between Tower Grove Park and Rosewood Park would be more convenient for them. This is the occasion for the desire for a new location on the part of both congregations.

Rev. Charles Steele will begin Sunday a series of evening sermons at the gospel tent, "Glad Tidings," Eighth and Carroll streets, entitled "Six Stories Written by God." Each sermon will deal with one of the stories. The series will end Friday night.

The first service will take place Sunday in a new chapel building on Grand avenue, between Tower Grove Park and Rosewood Park. The service will be held at 7:30 p. m. and will be conducted by Rev. W. J. Williams, pastor of the Third Baptist Church, who will also conduct the prayer meeting Wednesday evening and left on Thursday to attend the Baptist convention in Chicago. He will not take charge at the church until fall.

The Baptist State Board of Missions held its annual meeting at 318 North Third street Tuesday afternoon. Mr. John L. Franklin of the meeting was to make up the payroll of the 65 missionaries employed the last year. This amount was \$2750. The receipts for the quarter exactly balanced expenses.
